

The University of Memphis

Health and Sport Science Department

Certification Courses in Physical Education

Summer 2008 Schedule

This schedule summarizes (in chronological order) key program components and classes that will be provided in the Summer of 2008 toward physical education certification. The program orientation and capstone meetings described here are program requirements. Failure to attend these meetings will negatively impact student grades in individual courses and will prevent students from receiving a Certificate of Program Completion from the PETE unit in the Department of Health and Sport Science at the University of Memphis¹.

Pre-Summer Session
