

## ICL Interview Process

**Directions for Doctoral Students:** Once you have met all Graduate and Departmental requirements and your file is complete, you will be contacted for an interview with faculty members in the concentration area in which you plan to study. These interviews must be scheduled and completed before your application for admission will be approved. When forming your committee, you will be assigned a temporary chair. You may select or change a committee chair during your program of studies and/or prior to finalizing a dissertation topic.
